

Sun Flare Systems S.O.S. in a Box™ Warranty

Quality Control & Warranty

Sun Flare Systems Inc. manufactures this product at our factory in the US and Canada. All components are installed and wired by skilled technicians and each component and circuit is individually tested and inspected for quality of installation and compliance with C UL legislation.

The S.O.S. in a Box™ is covered under warranty for mechanical or electrical faults for a period of 24 months from date of purchase.

Each S.O.S. in a Box™ is allocated a serial number which is printed on the inside lid of every S.O.S. in a Box™. Please do not remove or cover this serial number as this will invalidate the warranty. If the serial number becomes damaged or unreadable in any way, please contact Sun Flare Systems Inc.

Standard Warranty Terms & Conditions

Sun Flare Systems Inc. warrants this product to be free from defects in workmanship or materials for 24 months from the date of purchase. During this period Sun Flare Systems Inc. will repair the defective product free of charge. Sun Flare Systems Inc. is not responsible for any costs of the transport of this product.

This warranty is void if the product has suffered any physical damage or alteration, either internally or externally, and does not cover damage arising from improper use or from use in an unsuitable environment.

This warranty will not apply where the product has been misused, neglected, improperly installed or repaired by anyone other than Sun Flare Systems Inc. Sun Flare Systems Inc. is not responsible for any loss, damage or costs arising from improper use, use in an unsuitable environment or improper installing, setup and malfunctioning of the product.
